

<b>Ball.....</b>	<b>890-913</b>	<b>Globe.....</b>	<b>915-916</b>
Domestic .....	890	Forged steel globe .....	915
Full port.....	890	Domestic bronze globe.....	916
Bronze shut-off.....	890		
Locking handle .....	891	<b>Butterfly .....</b>	<b>916-917</b>
Bronze.....	891	Betts Wet-R-Dri™ .....	916
Deadman spring return.....	891	Ductile iron.....	917
250 Lb. steam .....	892		
Safety vented.....	892	<b>Flow Control.....</b>	<b>918-919</b>
NPT tap for drain.....	892	Steel series F .....	918
Imported .....	893	Brass series F .....	918
Imported with locking handle.....	893	Series MV .....	919
Global.....	894	Steel series N .....	919
Solder end.....	894	Brass series N .....	919
Lead-free brass .....	894		
Dual Y.....	895	<b>Needle .....</b>	<b>920-921</b>
Mini .....	895	Mini .....	920
3-Way diverting T flow .....	896	Multiport .....	920
3-Way diverting L flow.....	896	Block and bleed.....	921
2-Piece stainless.....	897	Bleed .....	921
Stainless full port.....	897		
Stainless full port with locking handle.....	898	<b>Air .....</b>	<b>922-923</b>
Stainless reduced port with locking handle .....	898	Button .....	922
Stainless reduced port with locking handle .....	898	Tank filler .....	922
3-Piece stainless .....	899	Brass lever external drains .....	922
3-Piece socket weld.....	899	Brass external drain cocks .....	922
Deadman spring return stainless.....	899	Needle.....	923
Electrically actuated stainless .....	900		
Electrically actuated brass .....	901	<b>Safety .....</b>	<b>924-928</b>
Electrically actuated 3-way 'T/L' port.....	902	Safety check .....	924
Pneumatically actuated stainless.....	903	Safety pop-off.....	925
Pneumatically actuated brass.....	904	Series C check.....	926
Pneumatically actuated 3-way stainless 'T/L' port.....	905	Domestic ball cone check .....	926
Pneumatically actuated 3-way brass 'T/L' port.....	906	800 PSI stainless steel check .....	927
Pneumatically actuated wafer butterfly valves .....	907	Forged steel check.....	927
BV3/4 stainless ball.....	908	Spring-loaded check .....	927
Actuated valve accessories .....	909	Strainer with spring-loaded check.....	928
Dixon® MannTek full flow .....	910-911	Swing check .....	928
Carbon steel LP-Gas ball .....	911	Domestic swing check.....	928
Carbon steel ball .....	911		
High pressure full-bore 3-way.....	912	<b>Drum .....</b>	<b>929-930</b>
High pressure clear zinc .....	912	Drum plug wrenches .....	929
High pressure full-bore .....	912	Drum faucets.....	929
Polypropylene bolted .....	913	Hose bibb faucets.....	929
Polypropylene compact bolted .....	913	Drum thread adapters.....	930
Polypropylene 45° single union nozzle .....	914	Drum gate valves .....	930
Polypropylene bolted with nozzle .....	914	Self-closing gate valves.....	930
Polypropylene single union.....	914		
<b>Gate.....</b>	<b>914-915</b>		
Domestic bronze gate.....	914		
Stainless steel gate.....	915		
Forged steel gate .....	915
